EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Note that, the Examiner's Amendment is sufficient to place the instant claims in condition for allowance.

Of the references of record, the most pertinent is Arnold et al (US 6,500,865). Arnold et al teach sulfonamide derivatives used for potentiating glutamate receptor function in a mammal and are therefore, useful for treating a wide variety of conditions, such as psychiatric and neurological disorders. See Abstract. However, Arnold et al do not teach the specific sulfonamide compounds as recited by the instant claims.

None of the references of record, alone or in combination, teach or suggest the specific sulfamide or sulfoxamide compounds as recited by the instant claims.

Accordingly, since the prior art fails to teach or suggest such compounds as recited by the instant claims, the instant claims are deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory R. Del Cotto whose telephone number is (571) 272-1312. The examiner can normally be reached on Mon. thru Fri. from 8:30 AM to 6:00 PM.
